Prize Draw Details Inside

Win a trip
to see
The Eagles

Live in concert in Sydney, 2 Dec 2010

Here's another reason to be glad you bought Teat-Ex for improving teat condition in your herd. Deosan is giving away a trip - including airfares, accommodation and Gold tickets - to one loyal customer and their partner to see The Eagles live in concert at the Sydney Entertainment Centre on Thursday 2nd December 2010. This event promises to be an epic showcase by an outstanding band with fans from all generations. You know all the hits - now be in to win the trip!

Simply enter the prize draw to be in to win.
Conditions apply. See www.deosan.co.nz for full details.

How to enter

Text teats to 244

Enter the prize draw by texting the word **teats** to phone number **244**.*

It's so easy - text teats to 244 to enter!

**Texts cost 20 cents each.*

Did you know?

Teat-Ex is made right here in NZ by Deosan, a 100% New Zealand-owned company.

Deosan has been making Teat-Ex in the heart of the Waikato for over 8 years.

When you buy Teat-Ex or any of our range of dairy hygiene or animal health products, you're supporting kiwis making quality products for NZ dairying conditions.

It's a fact!

Teat-Ex is a unique teat spray - there is nothing else like it in NZ.

Teat-Ex is a Chlorhexidine-based teat spray containing glycerine emollient and a multiple surfactant formulation. The multiple surfactants provide better teat surface coverage and longer lasting anti-bacterial action. No other teat sprays available in NZ have this unique set of properties. Don't let anybody tell you different!

What else?

We don't just make teat spray!

Why not take a closer look at our full range of dairy shed detergents - including our new organic, low toxicity acid detergent with a 1ml/Litre use rate. We'll even service your dairy shed to keep it in top order. Contact your local Deosan territory manager on **0800 DEOSAN (33 67 26)** to find out more.
